DEFINITIONS

- 1. Landing Fee:** A charge for the use of the runways, taxiways and ramp areas computed to the nearest thousand pounds of the maximum allowable landing weight (M.A.L.W.). A touch and go, search and rescue mission and/or emergency return flight is not charged a landing fee. Search and rescue flights must be non-commercial and in response to a declared emergency, that has been approved by the Airport Manager's office prior to departure.
- 2. Parking Fee:** DESCRIBED BELOW (Does not exempt landing fee)

 - 2a. Terminal Ramp Parking Fee:** A charge for occupying the passenger ramp parking area. Commences after 30 minutes on aircraft weighing up to 12,500 lbs. M.A.L.W. and after one hour, on aircraft weighing more than 12,500 lbs. M.A.L.W. The charge made will be for each hour of time, or part thereof, after the permitted time expires. Scheduled aircraft with minor mechanical delays may have this charge excused by the Airport Manager. Major mechanical delays may necessitate relocation of aircraft should the Airport Manager so require. Locally based charter aircraft may be assigned a ready position by the Airport Manger on the ramp (space permitting), in which the ramp parking fee will not apply.
 - 2b. Daily Parking Fee:** A charge for occupying parking space designated as a continuous public parking area, away from the passenger terminal ramps. Not applicable to tenant's aircraft(s) parked solely on property leased to tenant for aeronautical use. Locally based aircraft on which a monthly parking fee is paid are exempt form the daily parking fee. Charges commence after eight hours and are per 24-hour period, or part thereof, after eight hours.
 - 2c. Monthly Parking Fee:** A charge for occupying parking space designated as a continuous public parking area, away from passenger terminal ramps.
- 3. Counter Space:** A charge for prime space in a terminal building for serving passengers and their baggage. All utilities are the responsibility of the tenant. A minimum charge may be

established.

4. **Office Space/ Air Conditioned:** A charge for space in an enclosed room. Air conditioning is provided by the Authority. All utilities are for the account of the tenant. A minimum charge is established.

5. **Office Space/ Non-Air Conditioned:** A charge for space in an enclosed area. Air conditioning is not provided by the Authority. All utilities are for the account of the tenant.

6. **Baggage Space/ Air Conditioned:** A charge computed on the square foot area leased for baggage room or makeup area, or whether the area is air conditioned or not. No minimum charge is established.

7. **Cargo Warehouse Space:** A space computed on the square foot area of space leased for storing, receiving or delivering air cargo. A minimum charge is established.

8. **Unimproved Land Area:** A charge computed on the square foot area of bare open space lease for use in conducting permitted business. Fair Market Value as determined by an appraisal shall mandate fee to be charged.

9. **Baggage Delivery Facility:** A charge assessed the aircraft operator on the total number of occupants on an aircraft including non-revenue passengers (flight crew not counted) for the use of the baggage claim facility for delivering baggage to passengers, or from aircraft via baggage cart or other means.
