VIPA Responds to Allegations in The Avis

VIPA Executive Director David Mapp, Sr. issued a statement today in response to an article printed in today's issue of The Avis newspaper, which alleges that the Federal Aviation Administration (FAA) is investigating credentials fraud at VIPA. Mapp said, "The investigation referenced in the article is still pending and VIPA officials cannot publicly comment on the matter at this time. However, the public can rest assured that both the Cyril E. King Airport on St. Thomas and the Henry E. Rohlsen Airport on St. Croix are fully certified and are operating within the mandates of the FAA."
