### **VIPA Seeks Owners of Abandoned Aircraft Parked at USVI's Airports**

Owners of abandoned or damaged aircraft parked at the Cyril E. King Airport on St. Thomas or Henry E. Rohlsen Airport on St. Croix are asked to have their aircraft removed from the airports immediately. The Port Authority is cleaning its airfields and removing unsightly equipment or objects that may be projectiles in the event of a storm. Owners have **until July 15, 2018** to remove their immobile aircraft. Any planes not claimed will be disassembled and the metal will be taken to the landfill for disposal.

Aircraft owners may contact VIPA's Director of Aviation Operations, Mitchell Todman, via telephone at (340) 774-5100 (CEKA) / (340)778-1012 (HERA) or e-mail [MTodman@viport.com](mailto:MTodman@viport.com).
