HARMONY OF THE SEAS CANCELS ST. THOMAS VISIT

Royal Caribbean Cruise Line has informed the Virgin Islands Port Authority that it has cancelled its August 28 scheduled visit by the Harmony of the Seas at the Austin "Babe" Monsanto Marine Terminal in Crown Bay, St. Thomas. The visit was cancelled due to possible inclement weather as Tropical Storm Dorian approaches the Caribbean. The cruise line is taking precautions to ensure the safety of its passengers while traveling in the region.

The Harmony of the Seas is one of the world's largest cruise ships and can accommodate up to 6,780 guests when all the berths are full.
