COMMUNITY ALERT - WAPA PARKING LOT ON ST. THOMAS WILL BE CLOSED FOR REPAIRS THIS WEEKEND

Virgin Islands Port Authority Executive Director Kenn Hobson announced today that the parking lot at the VI Water and Power Authority's administrative office in Subbase, St. Thomas will be closed to repave the lot this weekend. Hobson said that VIPA's contractor, VI Paving, is scheduled to begin work at the parking lot tomorrow, May 8th around 1 p.m. and will be completed by the end of the day on Sunday, May 9th.

Vehicular traffic will not be allowed through the main parking lot directly in front of the WAPA building. Cars will be allowed to use the road directly adjacent to the back of the paved parking lot. Hobson apologized in advance for any inconveniences this may cause business in the nearby area.

VIPA owns the WAPA building in Subbase and adjacent properties in that area. Paving and restriping of the parking lot will cost about \$73,000 and is funded by the Port Authority.
