VIPA INSTALLING NEW LIGHTS AT ST. THOMAS AIRPORT ROADWAY AND PARKING LOT

The Virgin Islands Port Authority's Executive Director, Kenn Hobson, announced today that the Authority will begin the installation of lights long the Cyril E. King Airport's access road and adjacent parking lot in St. Thomas on September 6th.

Hobson said the work will begin with the removal of the existing poles and fixtures adjacent to the ticket booths and then progress into the parking lot. The installation of all the new lighting fixtures will be completed within 90 days.

The \$331,000 project is being completed by the project contractor, Custom Builders and is funded by the VI Port Authority.

Users of the airport facilities on St. Thomas are asked to exercise caution in the vicinity of any work being performed.
