## **Blyden Terminal Parking Repairs Begin June 30th**

The Virgin Islands Port Authority wishes to alert the public that the parking lot adjacent to the Edward Wilmoth Blyden Marine Terminal on St. Thomas will be under repair from June 30th through July 2, 2010. Parking for users of the Blyden Terminal will be permitted east of the fruit stand on the Charlotte Amalie Harbor Waterfront Apron. The public is asked to exercise caution when driving or walking in the area of the repair work. Port Authority Executive Director Kenn Hobson asks that the public excuse the inconvenience as the Port Authority makes this necessary repair to its facility.

VIPA hired Betterroads Asphalt Corporation to repave the Blyden Terminal's parking lot in April 2010. The project will cost approximately \$81,650 and is funded by the Port Authority in its fiscal year 2010 budget.
