## **Crown Bay Center Parking Lot Under Repair**

Virgin Islands Port Authority Executive Director Carlton Dowe advises motorists to exercise caution while driving in the Crown Bay Center parking lot in areas where their contractor, Precise Builders, LLC, is paving the lot. The paving began on Sunday, October 25 and it should be completed within 60 days, he said. Dowe added that the area where the contractor is working will be clearly marked. He also apologized for the inconvenience and added that he appreciates the public's patience as the Port Authority works to improve its port facilities.
