Temporary Road Closure at Red Hook Port on April 10th

The Virgin Islands Port Authority advises the public that a portion of the entrance road leading to the Urman V. Fredericks Marine Terminal in Red Hook, St. Thomas will be closed on **Tuesday, April 10, 2018 from 5:00 p.m. to midnight**. Vehicles will not be allowed to enter the road leading to the terminal during this time. The temporary road closure will allow VIPA's contractor to pour concrete as part of the construction of the new two-level parking garage at the UVF Terminal. The drivers of the pump and cement trucks will need the space to maneuver the trucks during the concrete pour.

VIPA apologizes in advance for any inconveniences caused, and thanks the public for its patience as we work to make improvements to our port infrastructure. The new parking garage at the UVF Terminal is expected to be completed by August 2018.
